

THE C. H. GOSS COMPANY

PACKARD

Motor Cars and Trucks

Packard prestige has long been recognized as representative of the best in American manufacture---Packard performance and permanence of style can be obtained only in Packard products, nothing else than a Packard can give you quite that sure satisfaction which the Packard owner enjoys.

In either the Twin-six or the Single-six Packard such satisfaction is present as in no other car.

See the Packard exhibit at the Automobile Show.

DODGE BROTHERS

Motor Cars and Trucks

Our deliveries for 1921 greatly exceed those of 1920. This fact speaks eloquently for the goodness of Dodge Brothers Motor Car, for the reputation of the C. H. Goss Company and for the wisdom of the motor buying public.

People are buying with greater care. They are demanding dollar for dollar value, and as the figures show, they have learned where they may buy with full assurance that honest values are always to be obtained.

See the Dodge Brothers exhibit at the Automobile Show.
